3ON3 FASTBREAK BASKETBALL

HOW IT WORKS:

Continuous, FULL COURT, 3 on 3 play. The basketball court is HALF THE SIZE of a normal court. Players DO NOT take the ball out of bounds on a made basket.

ADVANTAGES:

- **Generates 5X the number of basketball plays compared to a regular game. Lots of scoring!**
- Format promotes quick decision making and aggressive offensive play.
- Great workout and athletes love it!
